[redacted] Talked with Dr. Morgan, Chairman of House Foreign Affairs Committee, concerning the proposal by the Republican members of the Committee that the Committee should investigate activities of [redacted] Dr. Morgan discussed this very freely including his discussion with the ranking Republican, Mrs. Belton. Dr. Morgan indicated he plans to take no action on this and in fact is thinking of some motion on the Democratic side to bury the item even further. He exhibited the actual letter to him which discusses in detail what is desired. For his information, I furnished him a copy of the Justice Department brief which did discuss the question of violation of the Logan Act by [redacted] He was appreciative of this. Dr. Morgan assured me that if pressures built up on this and something had to be done he would keep us advised.

[redacted] Talked with Mrs. Josie E. Hughes concerning the [redacted] in the absence of Representative Harry R. Sheppard. I explained the case and she saw no real difficulty from the Congressman's viewpoint. However, she did request that we forward a letter of the facts and this will be done tomorrow.

[redacted] Talked with Representative Bob Wilson concerning his inquiry of 14 June. I explained that there was no such weapons system as described in the article which he enclosed and briefed him generally in accord with an OCI memorandum of 19 June. Mr. Wilson seemed satisfied since he had been concerned since this was the second or third similar item which had come to his attention.
